

Fall Freeze Frame Hunt

AN OUTDOOR ADVENTURE FOR ALL AGES

Kick off a month of fun excursions with our new photographic scavenger hunt! Start on your own anytime between August 18 and Sept 28. We will get you started with trail maps and places to find the natural objects and creatures you will have to photograph at Burr Oak Woods. Finish the hunt in a few hours or a few visits and turn your photos in by Sept 28th for the chance at First, Second or Third Prize.

Notes: Photos can be e-mailed to lisa.richter@mdc.mo.gov or hardcopy (CD or actual photos) dropped off at front desk. Only submissions with one photo of each scavenger hunt item (no more, no less) will be taken into consideration for the prizes. Prizes will be awarded and available for pickup at the nature center by Oct 26th.
